Burnishine Thumbs Up Hand Cleaner Named a *Quick Printing* Magazine Top Product for 2013

Lake Villa, Illinois; *May 2013*—Burnishine Thumbs Up Hand Cleaner recently received a Readers' Choice Top Product Award for 2013 from *Quick Printing* magazine readers. The award was granted in the Pressroom Products category. Commenting on the award, *Quick Printing* magazine editor Karen Hall said: "The inaugural *Quick Printing* Readers' Choice Top Products Awards feature the breakthrough products that have caused the most excitement in the industry and have been a valuable asset to commercial printing businesses over the last year."

Burnishine Products President Roger Giza, upon learning of the award, commented: "Burnishine Products is pleased to have been recognized by *Quick Printing* magazine. And we owe an even larger thank you to our many users and graphic arts dealers who have made Burnishine products an integral part of their operations for more than 125 years."

Burnishine Thumbs Up Hand Cleaner is specifically formulated for use in the pressroom. It quickly and safely removes ink, grease, dirt, and stains. The product has a neutral pH and a fresh, clean fragrance. Moisturizers keep skin soft. Thumbs Up rinses clean, leaving no residue on hands, sinks, or pipes. It has a long shelf life and will not separate. Automobile mechanics also find Thumbs Up ideal for cleaning up.

Since 1887, Burnishine Products has manufactured a broad line of pressroom and related chemical products, including plate chemicals, blanket and roller cleaners, fountain solutions, and a line of related cleaning products. All Burnishine products are manufactured in the United States.
