#### **Burnishine Releases Breakthrough Deletion Pen for Fuji Baked Plates**

Lake Villa, Illinois; *April 2011*—Burnishine Products has released a new deletion pen specifically for use with Fuji baked plates. Announcing the availability of the new deletion pen, Burnishine Products President Roger Giza commented: “This new Burnishine deletion pen for Fuji baked plates removes unwanted images from post-baked Fuji LH-PSE and LH-NI3 plates. The Burnishine deletion pen is easy to use under normal pressroom conditions and is the only such pen available today for use on these Fuji plates.”

Since 1887, Burnishine Products has manufactured a broad line of pressroom and related chemical products, including plate chemicals, blanket and roller cleaners, fountain solutions, and a line of related cleaning products. All Burnishine products are manufactured in the United States.
