### For Immediate Release

#### **Burnishine Releases New Deletion Pen for Kodak TRILLIAN SP and ELECTRA XD Plates**

Lake Villa, Illinois; *June 2011*—Burnishine Products has released a new deletion pen specifically for use with long-run Kodak TRILLIAN SP and ELECTRA XD plates. Announcing the availability of the new deletion pen, Burnishine Products President Roger Giza commented: “This new Burnishine deletion pen for Kodak plates removes unwanted images from Kodak TRILLIAN SP and ELECTRA XD thermal plates. The Burnishine deletion pen is easy to use under normal pressroom conditions.”

Since 1887, Burnishine Products has manufactured a broad line of pressroom and related chemical products, including plate chemicals, blanket and roller cleaners, fountain solutions, and a line of related cleaning products. All Burnishine products are manufactured in the United States.
