## **FOR IMMEDIATE PRESS RELEASE**

### **BURNISHINE INTRODUCES NEW FLEXO CLEANER**

Lake Villa, Illinois; April 2018 - Burnishine is pleased and excited to announce their new Flexo Cleaner!

Burnishine's new Flexo Cleaner is formulated to clean water and UV based inks from plates and anilox rolls. Roger Giza, President of Burnishine, states "our Flexo Cleaner was tested by a leading press manufacturer and was found to be more effective than some of the most popular leading brands."

"After conducting independent swell tests, we are confident this cleaner will not swell plates, even if they're left in full-strength solution for 24 hours!"

Some additional benefits include:

- bio-degradable
- very low to no odor
- not subject to haz-mat shipping fees

For additional information, please contact  
Roger Giza at 847-356-0222    email: [rgiza@burnishine.com](mailto:rgiza@burnishine.com)
