FOR IMMEDIATE PRESS RELEASE

BURNISHINE IS NOW A DISTRIBUTOR FOR H.S. BOYD PRODUCTS

Lake Villa, Illinois; March 22, 2022 - Burnishine is pleased and excited to announce we are now a distributor for H.S. Boyd products.

H.S. Boyd was founded in 1956 and continues to be the innovator of perforating, scoring, slitting and die cutting solutions for printers worldwide. H.S. Boyd products are the leading choice of printers because of their high standards and technical expertise.

Their finishing products are specially designed to meet printer's needs offering a multitude of configurations from rule heights, straight cut and serrated edge rules. They can even make specialty die designs.

Since 1887 Burnishine Products has manufactured a broad line of pressroom and related chemical products including plate cleaners, blanket and roller cleaners, fountain solutions, and a line of related cleaning products. Offset, Flexo, Digital, Inkjet, and Screen printers will find many Burnishine products to facilitate production. All Burnishine products are manufactured in the United States.
