## **Burnishine Announces the Addition of Sanitizing Surface Cleaners and Wipes, Hand Sanitizing Gel & PPE Full Face Shields**

Lake Villa, Illinois; *July 2020*—Burnishine Products has announced the immediate availability of its new line of Sanitizing Cleaners, Sanitizing Wipes, Hand Sanitizing Gel and PPE Full Face Shields.

Announcing the new products, Burnishine Products President Roger Giza commented: “Burnishine recognized the need to provide customers with sanitizing and other protective products due to Covid-19. We worked closely with a local manufacturer to develop and offer products that meet or exceed CDC standards. We’re excited about the response we’re receiving and are happy to do our part to help keep everyone safe.”

Since 1887, Burnishine Products has manufactured a broad line of pressroom and related chemical products, including plate chemicals, blanket and roller cleaners, fountain solutions, and a line of related cleaning products. Offset, flexo, digital, inkjet, and screen printers will find many Burnishine products to facilitate production. All Burnishine products are manufactured in the United States.
