ALUMINUM BRIGHTENER

ALUMINUM BRIGHTENER

Industrial strength aluminum cleaner

Burnishine Aluminum Cleaner is perfect for cleaning the toughest jobs. Our industrial strength cleaner easily removes carbon, grease, oil, road film, stains and diesel smoke. Cleans, brightens and removes oxidation in one step. Restores luster so aluminum looks like new!

BENEFITS:

- ◆ Ready to use—quickly cleans and brightens aluminum.
- ◆ Removes carbon, grease, oil, road film, stains and diesel smoke.
- ◆ Convenient quart size with spray applicator. Apply & rinse with water.
- ◆ Safer than products containing hydrofluoric acid—biodegradable!
- ◆ For use on most aluminum surfaces including trucks, trailers, wheels and more!

Directions: Spray liberally onto aluminum* surface and leave on for 20-30 seconds. Longer is not better! Rinse thoroughly with water. Repeat if necessary. Very stubborn stains may require light scrubbing. Enjoy your new looking aluminum!

*Not recommended for highly polished aluminum, chrome or clear coated wheels. Spot test prior to use.
