

WHO/CDC SANITIZING WIPES

FOR CLEANING LARGE AND SMALL AREAS

WHO/CDC Santizing Wipes are locally made, and exceed CDC alcohol content guidelines. Convenient packaging makes it easy to use anywhere and on any surface to control the spread of germs and viruses. Perfect for home, office, and all public areas and facilities.

FEATURES/BENEFITS:

- ◆ Quick and easy to use
- ◆ 75% alcohol content (CDC suggests a minimum of 60%)
- ◆ 25 wipes per package
- ◆ Wipes measure 12" x 13"
- ◆ Long lasting, strong and durable fabric
- ◆ Made in the USA
- ◆

DIRECTIONS: Simply remove a wipe from packaging and apply to surface. Allow to dry a few minutes to ensure disinfection.
