

PPE FULL FACE SHIELD

Perfect for single or extended use

PPE Full Face Shield helps protect the user and others from germs, viruses, debris and more! It's comfortable, adjustable, reusable, and is an excellent addition to face masks. It's perfect for anyone who cannot wear a face mask. The 10 mil laminated PET polyester is durable and scratch resistant.

FEATURES/BENEFITS:

- ◆ Full face protection from germs, viruses, debris & more
- ◆ 100% transparent; ultra durable and scratch resistant
- ◆ Lightweight & comfortable—great for extended wear
- ◆ Fully adjustable with foam forehead strip
- ◆ One size fits all (14.875" x 10.625")
- ◆ Easy to clean and reuse
- ◆ Made in the USA

DIRECTIONS: Remove strap from the shield by folding back and forth several times along the perforation. Apply foam pad near top of shield. Pad can be removed and relocated as needed. Insert strap through slot—see assembly instructions. Slide shield over head making sure forehead and chin are completely covered. Adjust strap as necessary.
