

FLEXO CLEANER

CONCENTRATED CLEANER FOR PLATES, ANILOX ROLLS, AND GENERAL CLEANING

Burnishine Flexo Cleaner Concentrate is an effective, versatile product that safely cleans plates, anilox rollers, and equipment. Its concentrated formula cleans metal, plastic and rubber surfaces, and can be diluted for other cleaning chores. Tests by a leading press manufacturer showed **Flexo Cleaner** outperformed other popular cleaners.

BENEFITS:

- ◆ Safely cleans plates, anilox rollers, equipment & more
- ◆ Effectively removes ink, oil, grease, dirt and grime
- ◆ Rinses clean with water
- ◆ Environmentally safe—biodegradable, low phosphate surfactants
- ◆ Non-flammable, non-toxic, non-corrosive, no-haz-mat fees!
- ◆ Economical — Mix as needed
- ◆ Outperforms popular cleaners

Directions: Use full strength or dilute as needed.
