

THUMBS UP

Paste & Liquid

INDUSTRIAL STRENGTH HAND CLEANER

Thumbs Up hand cleaners are formulated to remove even the toughest ink, grease, dirt, tar and stains. It's an exceptional hand cleaner for anyone who gets their hands really dirty—especially automotive and industrial mechanics, printers, etc. **Thumbs Up** contains 3 unique soft polymer scrubbers that won't scratch skin. Our solvent free formula contains moisturizers to keep hands soft without feeling sticky. **Thumbs Up** is economical to use and lasts a long time. A little goes a long way!

FEATURES/BENEFITS:

- ◆ Solvent-free formula quickly and safely removes ink, grease, dirt, tar and stains from even the deepest skin crevices.
- ◆ Contains unique 3 soft polymer scrubbers that won't scratch skin.
- ◆ Neutral pH. Will not irritate or burn cuts, scrapes or cracks.
- ◆ Contains moisturizers to keep skin soft and helps prevent cracking.
- ◆ Rinses clean— leaves no residue on hands, sinks or pipes!
- ◆ Fresh, clean fragrance.
- ◆ Long shelf life; will not separate in hot climates.
- ◆ Available as paste in 64 oz. tubs or liquid in gallons with pump.

DIRECTIONS: Paste: Use a small amount (about 1/2 teaspoon or 1 cc). Wet hands with water, rub as normal and rinse with water. **Liquid:** Pump desired amount onto skin. Wet hands. Rub as normal and rinse with water
